

Dennetts Housing Co-operative Limited

Complaints Performance and Service Improvement Report

3 September 2026

1. Introduction

1.1 This report provides our tenant-members with information about complaints Dennetts Housing Co-operative Limited received between January and December 2025.

1.2 We work hard to ensure that we deliver a high quality service, but we know that we do not always get things right and when we don't, we will acknowledge this, apologise, and attempt to resolve the issue that has been brought to our attention.

2. Annual Self-Assessment

2.1 As a social housing landlord, we are required to carry out a self-assessment each year to ensure that we are meeting the Housing Ombudsman Complaints Handling Code .

2.2 In July 2026, we transferred to a new managing agent, MB Housing Management Limited from our previous managing Agent, Co-op Homes and as such we carried out a full review of our complaints policy that was previously tailored to Co-op Homes.

2.3 Please find attached the revised self-assessment at Appendix 1 to this report.

3. Complaints Handling Performance

3.1 Throughout 2025 we did not receive any formal complaints which means that we have nothing to report on.

Period	Stage One	Stage Two	Escalated to the Housing Ombudsman
January to December 2025	0	0	0

4. Compliance with the Code

4.1 Throughout the year we have complied with the Housing Ombudsman's complaint handling code and had no intervention from them.

5. Management Committee's Response

5.1 The management committee has reviewed and approved the 2025 annual complaints report.

5.2 We receive quarterly updates from our Member Responsible for Complaints (MRC) and whilst we are happy not to have received any complaints, we are continuously striving to improve the services that we deliver, so we welcome any feedback we receive.

5.3 Our MRC is responsible for investigating and analysing the trends from the complaints we receive, and for making sure that we are adhering to our responsibilities under the Complaints Handling Code.

5.4 When we do receive a complaint, we will always follow our policy and procedure and consider each outcome to make sure that we not only act on the concerns raised, but learn from them to make changes to our service delivery where appropriate.

6. Learning and Service Improvement

6.1 Whilst we have not received any complaints during the period, we are not taking this as a sign that as a landlord we have already got everything right, and no improvements need to be made.

Improvements we have made

Issue	What we changed / learnt
Our complaints policy was fit for purpose but was tailored towards Co-op Homes being responsible for our complaints handling.	Following the self-assessment we adopted a new complaints policy that covers all aspects of the complaints handling code in line with our managing agents' in-put.. We hope that in doing this, it will be clearer for our members when they wish to make a complaint.

7. Access to our Complaints Policy and Procedure
